Email address _____

Selected classes;

General Classes

Mechanical Aptitude Test

Dimensional Metrology

Shop Safety

Smartboard

NRL Safety Training

1st Semester

Semester 1 - Basic Math

Semester 1 - Precision Machining Technology

Semester 1 - Basic Blueprint Reading

2nd Semester

Semester 2 - Applied Mathematics

Semester 2 - Intermediate Blueprint Module 2
--

Semester 2 - Manufacturing Technology

3rd Semester

Semester 3 - Intermediate Blue Print Reading with Basic Essentials for GDT / Avatars
--

Semester 3 - Intermediate Applied Math
--

Semester 3 - CNC with Simulator

4th Semester

Semester 4 - Quality Control / SPC / Inspection

Semester 4 - Metallurgy

Semester 4 - Advanced Applied Math

5th Semester

Semester 5 - Manufacturing Technology

Semester 5 - Advanced Applied Math

Semester 5 - GDT

6th Semester

Semester 6 - Moldmaking

Semester 6 - Diemaking - Series 1

Semester 6 - Advanced Diemaking Series 2
--

Semester 6 - Advanced Math
